Re: Docket No. MT2012 - 1

In accordance with Commission Order No. 1035, issued December 9, 2011 in Docket No. MT2012-1, the Postal Service does not have any data to report on the total volume sold and the total revenue generated at each retail test location for Fiscal Year 2013, Quarter 3 for the First-Class Tracer market test. The Postal Service also has not incurred any additional attributable, administrative or ancillary costs since the last data collection report.

The market test is still on hold and the Postal Service is continuing to work to complete the necessary system updates to enhance the scripting for the market test.

Sincerely,

Brandy Osimokun
Attorney
